ALLIE & ALAURA STAR IN "THE DARK HAIR EDITION"

Dear *XL Girls*,

Just a couple of comments about your Spring '16 edition (SP299). Allie Pearson, the dark-haired brunette from Dallas, Texas, is a good-looking newcomer. And, yes, I said "dark-haired brunette," just as you did in the opening paragraph of your introduction to her. I like dark-haired women for some reason. Yeah, I like blondes, too, but there's just something about dark haired women, in particular Caucasian women, especially when they are really attractive and sexy with big naturals, like Allie.

Allie's bright smile is genuine and reminds me of former V-Girl Brianna Costello. Allie is Brianna-like as far as her display of personality. Allie has G-cup naturals with average texture and shape as well. They're not super-perky or super-firm but they're suckable looking for sure.

It was also good to see Allie showing her pussy in her first photos. She could've done just the open-leg pussy pose instead of spreading it with her hands.

Allie is surely a newcomer to reckon with in upcoming issues of *XL Girls* and *V-mag*. And she's also a potential fantasy girl if all goes well with her consistency of pictorials scheduling. Consistency is the key to becoming a fantasy girl by my rule. So, nice debut.

You featured another

Pretty girl-next-door Allie Pearson (above left) wrapped her big naturals around a cock for the first time on-camera in the July '16 *V-mag*. Alaura Grey is already a big favorite.

dark-haired brunette in her encore appearance, Alaura Grey. Let's just call this edition of *XL Girls* "The Dark Hair Edition" because you also featured a Polish newcomer by the name of Monica Love. Newcomer Roxee Robinson has reddish but dark-colored hair. Dulcinea also has dark brown hair. The blondes were outnumbered in this edition.

But getting back to Alaura, another splendid pictorial.

She's also a current fantasy girl of mine at the No. 21 spot.

Alaura certainly has the ability to make a man wanna cum either by having sex with her

or jerking to her pictures. It's so astounding to see those big, hefty floppers on such a short frame. Her breast size doesn't fit her body, but I'm not complaining.—S.M., Baltimore, Maryland

Dear S.M.: Allie and Alaura are both featured in the new movie *All Stacked*, *All Natural 6*, available on page nine. Allie also did her first tits 'n' tugs scene, and she sucked some real cock while she was at it. Check it out at XLGirls.com. The photo version is in the July '16 issue of *Voluptuous*.

AMIEE'S A HIT (EVEN IF HER OUTFIT WAS WRONG)

Dear *XL Girls*,

You hit the baseball right out of the ball park with Amiee Roberts (SP299) and scored a magnificent home run, too. My only gripe is that Amiee could have chosen a minimalist dress (or undress, rather) in the form of

Micky Bells got pregnant and her huge tits got even bigger.

Amiee Roberts (SP299) sucked cock on-camera for the first time at XLGirls.com.

bikini string panties and a pair of high heels instead of that ugly, pink lace bra and panty/garter belt/stocking combo for this set.

Otherwise, Amiee is a lovely ripe-and-ready-for-the-pipe package with an enormous, succulent pair of jugs, a juicy as well as big cunt up front and a magnificent big ass up rear. I hope this groovy chick goes all the way, and if she does, we would be pleased as punch. JMac, Rocky and the platoon of *XL Girls* studs must be waiting in delight. I hope JMac gets

to piledrive and Rocky gets to ass-ream this chick respectively.—Maverick, via email

Dear Maverick: The bad news is that Amiee didn't fuck JMac or Rocky when she visited our studio. The good news is that she did fuck, and the scenes are hot. You can see her in XXX action at XLGirls.com or in an upcoming XL Girls movie to be announced.

HE LOVES SAMANTHA. HE'D LOVE TO FUCK HER

Dear *XL Girls*,

I'm writing to thank you for another hot, cock-hardening issue (SP291). I know this is late, but as they say, better late than never.

As I was thumbing through the pages, I came across my all-time favorite, Samantha 38G. This lady has been my one and only BBW. I love big-titted women, and she definitely is one of a kind. That beautiful face, those huge mammaries, the pouty pussy and that great ass...I've collected every big-titty mag that features this hot, sexy young lady and also most of her DVDs. I know she will go down in history and on a few more cocks before she calls it quits. When she does, it will be a great loss for all us horny BBW lovers.

I'd love to have her wrap those soft, pouty lips around my hard cock, sucking it until I unload a volley of

Samantha 38G has been an XL Girl for over 15 years and she's still going strong.

Nobody wants to end up in prison, but if you have to be locked away in the slammer, looking at pictures of Anorei and her P-cup mega-whoppers is a good way to pass the time.

man cream, having her take most of it all over those monumental, dark-areolaed, hard-nippled tits. I'd bury my face between her soft, creamy titties and taste her sweet juices and pump that sexy ass. I'd like to say to Samantha, "Thanks for your mammaries!" -B.W.B., Fort Dodge, Iowa

Dear B.W.B.: Samantha fucks in the movie Chubby & Fucked 3 and shows off her beautiful body and pussy in Ready For Stuffing 2, both available on page nine.

BEING LOCKED UP WITH ANOREI ISN'T SO BAD

Dear XL Girls,

I recently came across an issue (SP259) of XL Girls. I'm a large bunny-lovin' man! I am amazed. I love your magazine. I'm currently incarcerated in the New York State system, and I must say that XL Girls made my year when I purchased it on "The Market" here in Elmira.

I mean, Anorei Collins...what a woman! On page eight, she hugs her massive mammaries and some tasty milk drips down her very large areolae. Mmmm! And Anorei sucking cock on page 13 just set me off. Not the cock sucking, mind you, but her hanging P-cups. I can just imagine picking them up as she sucks my cock in that position and letting them

drop to swing and sway. In my book, the more the mammary!

I'd love to see Micky Bells do boy-girl in your mag. I have plenty of your *Voluptuous* mags with her in it. She is also a dream come true, but she looked better with more weight on her. Sorry, Micky, but that's just my expert opinion. J-cups are much better than H-cups, honey! Give what us big-tit lovers love and please put that weight back on. A beautiful woman is a woman who loves herself as she is and knows what she's packing and shows it.

Keep it up, XL Girls. Keep swinging those big, beautiful breasts.-R.V., Elmira, New York

Dear R.V.: We're glad you discovered XL Girls and that you know someone who can get things. Although Micky hasn't done hardcore, you'll be happy to know that a previously unpublished pictorial of Micky as a plumper begins on page 29 of this issue. You also should know that Micky recently gained weight in a different way: by getting pregnant. And her tits are gigantic, bigger than ever! You can see the new Micky in the July '16 Voluptuous, available from the back issues ad on page 19.

Anorei Collins is in the new movie XXXL Girls, which features our biggest girls ever in hardcore action. A preview with photos is on pages 10-17.

THE BEST THING ABOUT MONICA? TRY TO GUESS

Dear XL Girls,

Oh, Monica Love (SP299), my beautiful chubette! A woman like Monica is the best way to keep the winters and the rest of the year sizzling hot. She has just enough curves in all the right places to convert any skeptic to the beauty of larger and bustier women.

Monica's face is beautiful and she has a lovely smile. She looks like the kind of girl who if you walked up to her and said hello, she wouldn't look at you like you were a piece of shit. She'd probably engage you in a nice conversation, and even if she did eventually blow you off, she would do so in such a way that would still make you walk away smiling. Her body is plush and right. Her tits are full and firm. But I haven't even gotten to the best part of her yet.

This might sound weird, but the best part about Monica is her pussy. Her pussy is perfection. It looks like it would be soft, warm and comfortable to stick my dick inside. It's plump and smooth and goes perfectly with her body. I don't like girls who look like they have skinny pussies. The pinkness goes without

Why is Monica Love smiling? Because she's about to get fucked!

Dear J.G.: Real soon? Is right now soon enough for you? Monica fucks on pages 52-59 of the international edition. Those of you who get the UK edition can see her in action at XLGirls.com.

SO HERE'S TO YOU, MISS ROXEE ROBINSON!

Dear XL Girls,

Roxee Robinson (SP299) has got it going on! The boobs, the ass, the hair, the skin, and the charisma...love this Canadian girl and would love to see more of her.

Roxee is beautiful, sexy and just plain hot. She makes good eye contact with the camera and does a great job playing to the viewer. The interview was an added bonis and added to her eroticism. I feel like getting to know the girls better makes for a more-intimate and perfect connection and heightened jackability.

Roxee really seems comfortable with her own body, which is nice to see. She doesn't try to hide what some women in this society would see as imperfections, meaning her soft belly and voluptuous thighs. She proudly shows them off because she knows what we like. Please give us more of this stunner.—P.B., via email

A MAN WHO STANDS UP FOR THE GIRLS HE LOVES

Dear XL Girls,

I just kicked my dormmate's ass because he made fun for me for my taste in women after he discovered my stash of XL Girls magazines. He's one of those guys who always dates skinny girls who are cheerleaders, and he said I was "disgusting" for liking "those fat pigs," as he called them. In all honesty, I probably kicked his ass because of the way he talked about my favorite women. So now I need a new dormmate...that is, if I don't get kicked out of school for kicking his ass.

But I don't care. Big girls are the best and XL Girls is the best magazine in the world. I've both dated and fucked skinny girls, and there's nothing worse than banging a skinny girl from behind, getting balls deep and feeling her bones hitting against your skin then reaching around for some tit meat and getting nothing but nipple. I want girls who have big tits and big asses, and if big stomachs have to go along with that, fine.

I'm sure I'm now going to get a reputation as a chubby chaser, but that's fine. I've had my eyes on a couple of big girls since I got to school, and now they'll know where to go if they want a man who loves them the way they are.—J.B., Worcester, Massachusetts

LILA PAYNE

**XL GIRLS
INTERVIEW**

**The new Wonder
from Down Under
has a very kinky
side. Wanna play?**

**Interview by
Jan Balcik**

If you're a lover of big-boobed women and want to go on vacation to a place with lots of big-boobed ladies, Australia is not the place you want to be. In its long history, The SCORE Group has had only two models from Australia. The first was Angela White, a SCORE and Voluptuous Girl. And the second is Lila Payne, the spectacular JJ-copper you're looking at right now. Obviously, when we do Aussies, we do them right.

Lila is friendly. She's giggly (and her boobs jiggle when she giggles). She's personable and approachable. In just about every way, she's the girl next door.

She's also an escort. That got your attention, didn't it? Read on.

XI
Girls
DEBUT

XL Girls: Hi, Lila, and welcome to *XL Girls*.

Lila: Thank you. It's wonderful to be here! I'm having a great time.

XL Girls: So, you just finished your first photo set.

Lila: That's right. I just did my first photo and video set, which was very hot and exciting, and we're about to do the second.

XL Girls: So you came from...

Lila: Melbourne, Australia. I'm Australian. It's very hot there and very cold here in Prague.

XL Girls: Tell us about yourself.

Lila: What would you like to know? I work mostly as an escort and a webcam girl. I'm a plus-size lingerie model. And this is my first time making proper porn, so I'm really excited. I do lots of fetish modeling in Australia as well as vanilla sexy stuff. And I wear a lot of Latex.

XL Girls: What size are your boobs?

Lila: I'm a double-J cup, and my breasts are very, very heavy. They weigh six kilos in total. I've met girls with boobs that are the same size as

mine but nowhere near as heavy. They're very, very heavy. I get asked all the time if I have back pain. I don't at all. I'm a very strong girl.

XL Girls: Do you like your boobs?

Lila: I like them a lot, but they do get in the way sometimes. It's hard to exercise, so I don't get to run, skip or jump or do kick-boxing. But I do love them.

XL Girls: Were you always the bustiest girl in school?

Lila: Yes. When I was growing up, I got boobs really early, then I stopped growing when I was 14. I had a hormonal disorder when I was growing up, which meant I was a foot taller than everyone else. When I was 12, I looked

like I was 17. I was much taller, and then I stopped growing. I got bullied a little in high school because I had such huge boobs. It was very unusual to see a 14-year-old girl with boobs this big, but now I'm in proportion to my body.

XL Girls: How did you get into modeling and escorting?

Lila: I actually used to work as a children's entertainer. [Laughs] I was also a hair and makeup artist for circuses and theater, ballet and opera. That's what my background is. And then there was a time in Sydney, Australia when I was working as a bartender, and I was thinking, "What do I want to do with my life?" and I had some friends who were escorting, so I asked them about it and decided to give it a try. I told my mom what I wanted to do and she was really supportive. My family has been really supportive, which is great. Originally, I thought I'd only do it for a year or two, but then when I got into it, I realized this is what I want to do for the rest of my life. Nothing in the world makes me happier. I think it was what I was born to do,

**"I'll be sucking
cock when I have
gray hair!"**

and I can't imagine doing anything else. Every day I look forward to going to work and seeing my clients.

XL Girls: What do you mean when you say you were born to do it?

Lila: As a girl, I was always obsessed with anything that had to do with ladies of the night or sex workers in movies or novels. Anything that alluded to it really fascinated me. I lived in the red light district growing up and would always see the sex workers, and I was totally fascinated by them. So I think being in the sex industry is something I always wanted to do. I always felt drawn to it, and I'm a really sexual person.

XL Girls: When did you start?

Lila: Just before my 21st birthday, and I haven't looked back. It's what I want to do forever. I will be sucking cock when I have gray hair!

XL Girls: Now, escorting is legal in Australia, right?

Lila: Yes, it is.

XL Girls: So tell us exactly what you do. How does it work?

Lila: In Australia, you have mistresses who do BDSM and fetish work. They're highly trained, but they don't usually have sex with their clients. Maybe they'll touch their genitals or let the guy jerk off at the end of the session, but they don't have sex. Then you have brothels and private escorts, and a lot of private escorts cater to fetish stuff, but they're not necessarily trained. It's just something they do.

XL Girls: And then there's you.

Lila: Yes, then you have people like me who are unique in that I am a full-service escort and I have sex with my clients, but I am also a trained BDSM professional. There are a handful of us in Australia who do both. So my job is really fun. Sometimes there's no kink or fetish involved and it's a really passionate girlfriend experience. Sometimes it's

purely fetish and BDSM with no sex, but often it's a combination of the two.

XL Girls: So what will a typical session be like.

Lila: It can be anything the man wants. I do traditional mistress sessions. I do lots of wrestling and strong-woman sessions for people who like to be picked up and carried around. I do breast feeding. I do wrestling in custard and splashing. I love the freaky stuff. If you go to my website, I have these packages I offer. The first one is The Sanctuary, which is a really intimate, passionate girlfriend experience with no kink. The second one is The Awakening, which is for people who are interested in exploring a little bit of kink or they

like the idea of being with a dominant woman or being tied up and used like a fuck toy. Being with a sexually aggressive woman, but they don't know how kink works or what they want, so I guide them through it. And then there's The Banquet, which is for people who are more-experienced and know what they want and want to do. It could be cross-dressing or wrestling or something else. They might have specific scripts they want to carry out. I create something really elaborate for them with decorations, and the outfits are elaborate, too. It's a really tailored, detailed experience. That's what I love, when my clients have really specific wants. I like a challenge. I like to make the sessions really special just for them.

XL Girls: What's your favorite thing about escorting?

Lila: When I spend time with my clients, it's such a safe little sanctuary. It's not always about the sex. The sex is awesome, but it's more about having this safe sanctuary where their job doesn't exist and their wife or girlfriend or kids or stress or insecurities don't exist. And they tell me their secrets and share with me because I'm an unbiased, non-judgmental stranger. People share so much with me. Intimacy between strangers is a really powerful thing. And it helps them. I'm not going to say it's therapy, but it's like it.

XL Girls: Do you see the same people over and over?

Lila: I have some clients who I've seen once and I never see them again and I have some clients who I've been seeing for two or three years and we know each other very well. We're like family. I know everything about them and they know everything about me. We see each other every week or month or maybe a few times a year, and I know what they like, what kind of lingerie they like. Just because there's money involved doesn't cancel out the true love and care and friendship that blossoms. You can develop a friendship with your doctor or dentist or barrister. The same thing with your mistress. [Laughs] There is a real care there, and I miss my clients when I don't see them. And I love that every session is so different. People come to

MICKY BELLS

Pop the cork—and anything else—for the undisputed Queen of Cleavage.

Nobody asks Micky why she's the Queen of Cleavage. One look at her chest tells you all you need to know. What's unique about Micky is that she has made so many big-boob lovers happy. For the past two years, *SCORE* Men have been enjoying the slimmed-down Micky. Recently, she got pregnant, and her tits got ginormous, even bigger than before. And here's the original Micky, the one we fell in love with: Micky the XL Girl.

**No matter
her weight,
her tits are
always XL.**

A lot has happened since Micky debuted in SP244, but the one constant is that her breasts have remained huge by any standard. She is that rare girl who can lose a lot of weight and still keep her tits. Yet (and we may be biased), this version of Micky is the best of all. Her tits are truly heavy hangers. Her body is soft and plush. It's womanly. "Sometimes a man cannot help it and he just cums on my breasts," Micky said. "Sometimes they want to see their cum on my breasts. I let the man decide."

From modest boob beginnings, Micky became a big-tit all-star.

Micky wasn't always as boob blessed as she is now. "I started off with no boobs," she said. "I looked like a little boy! I was about 14 or 15 when they started growing. And then, in one year, I was an E-cup. In ninth grade, I was already busty. It was a very fast change. It was very hard to get used to having big boobs all of a sudden and being so young." She's gotten used to it. "I have dated a lot of men who like big boobs, but even they say they have never seen boobs as big as mine. It may sound funny, but sometimes I forget that my breasts are so big. Then I look around at other women and I see their chests are not as big as mine. It makes me happy."

NIKKY WILDER

Nikky wants to try his cock on for size...in her asshole!

So, a dude walks into a store looking for some new clothing, but what he didn't count on was the seamstress having huge tits. Not much clothes shopping is going to happen today. Nikky gets down on her knees to measure his inseam, but what she really wants to know is how big his cock is. Meanwhile, the sight of Nikki kneeling on the floor, her low-cut blouse revealing huge mounds of breast-flesh, is making one of the guy's measurements a lot larger than it was when he walked into the shop. "Take it out," Nikky says. His wallet? No, his cock! "I want to see how it fits in my mouth."

Turns out that the cock fits perfectly in her pussy & ass.

By the way, about that photo on the previous page: Nikky told us, "I love oral sex. I had a boyfriend who said I was the only one who ever deep-throated him." Nikky has now done it all on-camera: boy-girl, a three-way with two guys and, now, her first anal scene. "I love to fuck," she said. "I think it shows on-camera well. I don't really watch myself fuck, but I love to watch other people fuck." We love to watch Nikky fuck, and we've been doing a lot of that in her movies and at XLGirls.com.

Nikky is tailor made for porn, but she's a girl next door.

"My sense of humor is one of my best features," Nikky said. "I'm goofy and happy and it's contagious. My big boobs are another of my best features. I love them." Tarzan loves her tits so much that instead of cumming inside Nikky's asshole, which would've been fine with her, he quickly gets into position and drops his load on her tits. Some of his cum gets into Nikky's mouth, and she eagerly laps it up. "I'm a fun fuck," Nikky said. "Guys like that."

Say hello to a great plumper newcomer with a gorgeous face, huge tits and sexy eyes. What, you weren't paying attention to her eyes?

"A lot of men will compliment me about my eyes," said H-cup newcomer Nila (pronounced Neel-a) Mason. "That is nice even when I can see they are not looking into my eyes. You know where they are looking! I take no offense if they are charming about it. Men will be men!" That's true, and it's also true that this

showstopper from Belarus has beautiful, big...eyes. But let's face it: Many women have pretty eyes. Very few women have full, heavy naturals that hang as fully and wonderfully as Nila's. Look at her chest. Yeah, we know, you were already looking. Her tits don't hollow out when she bends over. They become fuller.

**Nila isn't shy.
She did her

film for us.**

And it's a great one. Nila eagerly sucks a porn stud's big cock and takes it deep inside her plump pussy. Where does he shoot his load? Where do you think? On her tits, of course, and she licks the cum off the guy's dick and rubs the rest into her chest. You can see her in action at XLGirls.com.

You can also see one of the most-entertaining videos we've seen in a long time. Nila tries to measure her chest. We say "tries" because she fumbles with the measuring tape and her tits. Eventually, she gets the job done. "I really enjoyed my shoots," Nila said. "I hope all the guys will like me because I want to come back."

MONICA LOVE

You know it's gonna be a good night when your date is dressed like this.

Baby, it's cold outside, but Polish beauty Monica Love doesn't mind. Monica, who debuted in *XL Girls* #299, threw on her warmest wool coat but kept her cleavage exposed because 1.) It would be a shame to hide those F-cup beauties; and 2.) She's waiting for her date and she wants him to know what she wants. "What do we have here?" Steve says when he drives up, almost crashing through the garage because he's been speeding since his boob radar went off a mile ago. "Would you like to come inside?" Monica asks. Yes, he would like to cum inside.

Sexy Monica is built to take a hard pounding.

Monica's tits were already out part of the way, and within seconds, they're out the rest of the way and her hard nipples are in Steve's hungry mouth. Then his cock is in her mouth and pussy, and Monica is enjoying her first on-camera fuck. "I hope the guys who see this will love it because I enjoyed it," Monica said. "I am looking forward to seeing this, and I would love to watch it with a man. Doing this has made me more sexually open and I want to have some more of this feeling." We do lots of feeling whenever we see Monica.

This isn't the only thing Monica does on a date.

"Sometimes I like to have drinks and dinner then go out dancing," Monica said. "Then if I like the guy, maybe we will go back to my place and see what happens." If this is any indication, we know what happens. But don't be a pussy hound around Monica. Don't just grab her tits and ass unless she invites you to grab her tits and ass. "I am looking for a nice, respectful guy who likes a girl with my kind of boobs and will share my interests." She's got us covered. Speaking of covered, take a look at Monica.

escorts for so many reasons. Maybe they have a fetish that they can't tell their wife or maybe they're single or maybe their wife died. So many reasons. Everybody wants something completely different.

XL Girls: Do you remember the first client you ever had?

Lila: I do. Before I started working as a private escort, I worked in a brothel in Sydney, and I was so full of beans when I started working. [Laughs] I had my earrings and my heels. I was totally dolled up in a way I didn't need to be. I was so ready to go, and I was young, but I knew what I was doing. So they picked someone to see me as my first client. He was a 30-year-old Indian gentleman. He was cute and really shy. First we did this sexual health test where I put on gloves and checked him out. It's an elaborate sexual health test all clients go through, and most people pass. Then we had a shower and kissed, and it felt totally normal. Then we had sex. It was really quick and felt great, then I gave him a massage and we talked. Then we had sex again and cuddled, just like a couple would. I have people who pay me to sit around and just have pizza with them in our pajamas. And that was it, and I didn't come out of the session feeling, "Now I'm a whore." I just felt good and happy, and I just went from there. And I feel like I'm good at it.

XL Girls: What is your favorite thing to do with clients?

Lila: Two things. I love people who are really animated. Sometimes I'm doing a session where I'm sucking his cock and sliding my boobs all over his body and I'm really getting into it and I look up and he's just lying there, not making any noises or expressions, and I'll say, "Are you okay?" And he'll say, "I'm having the time of my life." I like guys who make it really obvious that they're into it. Lots of talking. You know they're having a good time. That's what makes it hot, whether we're wrestling in custard or sitting in big wedding cakes or just drinking champagne and talking about wedding traditions in different countries or whatever. As long as they're excited to be there.

XL Girls: And you have huge boobs.

Lila: Which is another reason I stand out. I think in Australia, a lot of girls with big boobs are big women. I love big women, but I'm unique in that the rest of me is not big. And people love boobs in Australia. I have sessions with clients that are just about the boobs. I can be sitting there scrolling through Facebook or my email while they play with my boobs. They like to have them in their faces, and it's really cute. And maybe they're been subscribing to *SCORELAND* for years and they're all about it but have never felt a pair of huge boobs before. They've never fucked a pair of huge tits or put their face in there and felt what it's like, and they're like, "Oh my god!" They're like a kid in a candy store. I love that. My boobs are definitely my strongest asset.

XL Girls: Let's talk about your personal life. What are your fantasies?

Lila: I like to be very dominant. I'm a very bossy girl, but I like to be submissive sometimes. I like using boys as fuck toys. That's my favorite thing. I love having men on a collar and leash and making them follow my instructions about how I like to have my toes sucked and the backs of my legs

kissed and the back of my neck kissed. I like giving orders, and I like boys who are good at following instructions. I like boys who like to feel useful. I like putting people to good use!

XL Girls: Have you ever had sex in public or gotten naked in public?

Lila: Not so much. I'm more aroused by seclusion, like being in a cabin in the woods where you can make all the noise you want and no one can hear you. That really turns me on. I remember being felt up in the movies as a teenager. That was really hot. And, yeah, I get my boobs out in public sometimes 'cause it's fun. I like wearing no panties when I go to the bank or the post office, out to do my daily chores. Nobody knows it, of course, which makes it more fun.

XL Girls: By the way, there's a video of you at *SCORELAND* in which you're doing yoga.

Lila: I do yoga every day to make sure my body is stretched out properly. I really enjoy it. If I don't do my yoga every day, I feel terrible. It's like people who have to have their coffee in the morning. I have to do my yoga.

XL Girls: So, let's say you're out and a guy catches your attention. What

happens next? Does he have to make the first move?

Lila: No. If I find a man really attractive, I will catch his eye and give him a warm smile. If that is received well, I'll just walk up to him and tell him he is handsome. I'm very confident.

XL Girls: You should be.

Lila: I'm a sexually aggressive woman. If I like someone, they will know it right away. I don't like to play games with people.

XL Girls: Sex on a first date?

Lila: Yes, if I like the person and there is good chemistry. If that person is boring, the date will end early. Someone being a very good kisser really turns me on. If the kissing is bad, everything else usually is too.

XL Girls: What makes you laugh?

Lila: I love old-school Monty Python and physical comedy. I also laugh pretty hard at funny cute-animal videos on the Web.

XL Girls: Thank you, Lila. It's wonderful to have you here.

Lila: Thank you! Thanks for letting me ramble on about the things I'm passionate about. I'm looking forward to seeing my first photos and videos. I hope everyone likes them!

LAVINA DREAM

She's short and stacked and curvy in all the right places. Today, Lavina is going to show you how she maintains the body that busts nuts.

"I like to look good and feel good," said Lavina, who always makes us feel good and, here, shows us how she makes herself look better with her daily exercise routine. But that can only take her part of the way towards her goal of making men everywhere

look in her direction. "I dress sexy and wear tops where you can see my tits, especially nice blouses and tight dresses." Here, Lavina starts out by wearing an exercise top that shows more tit than any exercise top we've ever seen. And it quickly comes off.

Lavina's workouts include lots of boob bouncing.

"I like to make my boobs bounce. It's fun," Lavina said. "I think I enjoy my boobs as much as men do." That's saying something. "I get a lot of attention because of my breasts. I like that people stare at me. I enjoy that." What does Lavina like about it? "I can see in their eyes what they're thinking. Some of the women are thinking, 'Are her breasts real? How can they be so big?' Most of the men are thinking about how good it would feel to have my breasts wrapped around their penis. Most men I am with want to have tit sex with me. I am happy to make them happy."

Practicing opening and closing her pussy is part of Lavina's routine.

Lavina likes to go to the movies, read, play music and go out with friends to pubs and clubs. She didn't start developing until she was 16, at which point she quickly became the bustiest girl in school. She works out several times a week, following a similar routine to what she's doing here, but, she said, "It is hard to

workout with boobs like mine. Sometimes they get in the way. If I go to a public gym, all of the men get distracted." Yeah, they do. "I want to visit many countries, travel by cruise ship and open a massage salon." Okay. Stop right there. Can you imagine getting a massage at Lavina's Happy Endings Massage Parlor?

**SHE'S A MOM. NOW
SHE'S AN XL GIRL!**

XL GIRLS INTERVIEW

When we asked newcomer Cami Cooper to name the most-fun job she's ever had, she frowned and said, "Unfortunately, they've all been boring." Ah, the life of a midwestern mom. Keeping the house in order. Keeping the kids out of trouble. It's not all fun and games.

So when Cami's best friend suggested that she send her test shots to XL Girls, her first thought was that she was too big to be a model. Then he told her how beautiful and sexy she was. Then Cami's friend sent in her photos. And here she is, modeling nude for the first time (and fucking on-camera for the first time online at XLGirls.com).

Perhaps this is the first step on Cami's voyage of discovery. We asked her if she'd ever had sex with another girl, and she said, "No, but I wish." We asked her if she'd ever had sex in public, and she said, "No, but I wouldn't mind trying."

She's 42 years old. She's not a webcam model. She's just the woman next door.

The woman next door who happens to have huge tits, that is.

XL Girls: Hi, Cami, and welcome to XL Girls. Are you nervous?

Cami: I am.

XL Girls: How come?

Cami: I've never done this before. You know, porn videos or naked things. I was really nervous when I got here this morning. I didn't know what to expect. I'm a lot better now that I see how nice and professional everything is.

XL Girls: You've never been naked before?

Cami: I've been naked before. [Laughs] I've taken selfies, but that's the extent of it.

XL Girls: Let's start at the beginning. Where are you from?

Cami: I was born in Missouri and I live in Kansas City, Kansas.

XL Girls: What's that like?

Cami: Honestly, there's not a whole lot to do if you're not into sports. There's a lot to do with

Interview continues on page 85

How does a 43-year-old mom end up in a magazine like this?

"There are three things on my to-do list," Cami said. "Go on a cruise. Go to Amsterdam. Have sex with another girl." Getting naked and showing off her G-cup naturals and fuck holes for all the world to see was not on that list. Getting fucked hard and rough by a porn stud at XLGirls.com was also not on that list. "He gave it to me really good," Cami said. Modeling nude was the last thing on Cami's mind. After all, she's 43 years old. She's a mother of three. She lives in an ultra-conservative part of the world, Kansas City, Kansas. And, besides, she didn't know there were magazines like this featuring girls like her. Then a boob-loving friend pointed her in our direction, and Cami took the leap. Don't you love women like her?

TERRI JANE

She's stacked and packed and one of our greatest girls ever.

SCORE Group chief John Fox calls her "the ultimate XL Girl." Next to the word "brickhouse" in the dictionary, there should be a picture of Terri Jane. This pictorial, shot on-location in the Dominican Republic when Terri was at the peak of her sexuality, shows off every inch of this stunning English babe to ultimate effect: her strong but shapely legs; her big, round ass with sexy tan lines; her beautiful face; and, of course, her K-cup tits. They're full and heavy yet incredibly firm, almost impossibly firm considering their size. "And they jiggle!" Terri said. "I've found that men like jiggling, bouncing boobs."

TALE OF THE TAPE

Birthday: May 1, 1989

Terri's tits grab people's attention. She wants you to grab them.

"I get guys who come up to me all the time and say things like, 'Take your boobs out.'" Terri said. "They are not scared. I have had girls come up to me in the bathroom, asking me if they are real or fake. Girls come up to me all the time, feeling my boobs. I can't stop them! They just walk up to me and grab them!" Guys aren't quite as handsy...at first. "First they ask me to get them out and then they want me to bounce them up and down. Then they like me to get on top of them and drop my breasts on their face and jiggle them around a bit. I always have a lot of fun playing with my boobs."

Terri came to us in 2011. She's still making us hard.

Terri lives in a small town near Birmingham, England, a country that has given us some of the great XL Girls ever, including Ashley Sage Ellison, Laura Bailey, Natalie Fiore, Dors Feline and many others. There's either something in the water or something in the nation's genes. "Guys tell me that I am so amazing, that they love my curves," Terri said. "I always wear clothes that show off my curves. I never wear anything baggy. Baggy clothes just make me look big, not big and busty. I want men to look at me and appreciate me." And we do.

kids. We have the Power and Light District, which is the bar-hopping place, but really I don't think it's fun. It's not as much fun as Miami.

XL Girls: But I'm sure in places like that, people are fucking all the time because there's nothing else to do.

Cami: Probably. There are a lot of kids, so I guess a lot of people are having sex.

XL Girls: What do you like to do?

Cami: I like to shop. I used to play volleyball. I like watching baseball and football. I love the Kansas City Royals and the Chiefs. I have three kids, so I spend a lot of time with them and I have a little dog, but my favorite thing to do is surf the Internet and shop.

XL Girls: What do you shop for?

Cami: I shop for cute clothes, shoes. I'm a shoe fiend. I like Coach purses.

XL Girls: Is that how you found us, by surfing the Internet?

Cami: I actually found you because my best friend told me, "You look hot. You've got to try this." And then he said, "Do you mind if I submit your photos?" and I let him submit my photos and that's how I got here.

XL Girls: So you've never done any kind of modeling before?

Cami: Never.

XL Girls: No regular modeling? No adult modeling?

Cami: No. Nothing.

XL Girls: Ever taken your clothes off in front of a camera?

Cami: Yes, but just for regular pictures that my boyfriend would take. Not professionally.

XL Girls: When you guys were having sex?

Cami: Not necessarily having sex. Just taking pictures because he thought I had on something cute and I'd say, "Take a picture!"

XL Girls: So no sex on-camera?

Cami: No. Not until I came here.

XL Girls: You've never touched a dick on-camera?

Cami: No. [Laughs]

XL Girls: So what made you take the leap and decide to do it? I mean, just because a friend says you should usually isn't reason enough.

Cami: It looked like fun. I've seen porn videos, of course, and the

money's good, which is always nice, especially when you have three kids, but it looked like fun. But I didn't think I'd even be accepted. I'm 42, for one. I'm not a skinny, petite model, so I was reluctant, I guess. So I was shocked and now I'm just rolling with it and it's working out.

XL Girls: Well, it's good for you to know that there's a whole world of men that's very attracted to you and women who are built like you.

Cami: Yes, I know that now. I wish I had known that a few years ago. It makes me feel good.

XL Girls: So, Cami, let's talk about the size of your boobs.

Cami: They are 38G.

XL Girls: Have they always been big?

Cami: They have, since I was 13 years old, and then I had kids and they got even bigger.

XL Girls: What's your relationship with your boobs?

Cami: I like them. They're my friends. They're my twins.

XL Girls: Do they have names?

Cami: No, I haven't named them. I just call them "The Girls."

XL Girls: And you just took them right out and started playing with them. You did it so naturally.

Cami: Well, they're there, and I'm here, so why not?

XL Girls: Do you do that a lot?

Cami: No, I really don't, but since we were talking about them, why not?

XL Girls: What did you think it was going to be like when you first pulled up here at our studio?

Cami: When I first pulled up, I wasn't sure, but it turned out to be very good. I like the experience. I'm getting more and more relaxed.

XL Girls: Besides playing with them, what else can you do to your boobs that feels good?

Cami: I can lick them. [She demonstrates] That's fun.

XL Girls: How do you like guys to treat your boobs?

Cami: They can do whatever they want with them. They can smack them around. Pinch them. I've actually contemplated getting my nipples pierced. I don't know yet. [She shakes them] They're not light.

XL Girls: How heavy do you think they are?

Cami: I think we guesstimated 15 pounds each. I'm going to put them on a scale and weigh them.

XL Girls: What about tit-fucking?

Cami: I've done that! It's fun.

XL Girls: What's your favorite thing to do during sex?

Cami: I like it all, honestly. I don't think there's any one favorite thing. I like a lot of foreplay. Kissing, fondling, having a guy kiss my neck. My favorite position would probably be doggie style.

XL Girls: Let's say a guy is fucking you in that position. Do you like him to reach around and grab your boobs?

Cami: I really like for him to grab my hair and pull it. I like it a little rough. But he can grab my boobs.

XL Girls: Grab them hard?

Cami: Sure. He can pinch them, tug on them. *[She demonstrates]* Grab them. They're squishy and mushy. They're very soft.

XL Girls: How about your pussy?

Cami: My vijayjay? She likes to be treated a little rough, too. She likes it hard. She likes to be roughed up a little bit and smacked around.

XL Girls: So even though you're a mom and you've never done this, you have a kinky side.

Cami: I definitely do. I'm into fisting. I like that a lot, when I have my fist or a guy's fist in my pussy. I have a huge trunk full of toys that I use when I masturbate. I've even had a three-way. I enjoyed it. I would definitely like to do it again.

XL Girls: Any fantasies?

Cami: I want to have a threesome with a guy and another girl. I'd love to go to a swinger party. But I'm a little passive when it comes to sex, so I need someone to make the first move or drag me along. I'm not going to just go up to a girl and ask her if she wants to have a threesome.

XL Girls: Do you usually dress to show off your chest?

Cami: Usually. I like to wear V-cut tops that are clingy. I won't wear something that will have people saying, "Oh my god, look at her!" and I have kids, but I do like to look good when I go out in public.

XL Girls: Do you have a hard time finding bras that fit?

Cami: Not really. I like to wear T-shirt bras, and I can buy them off the rack at Lane Bryant.

XL Girls: Cami, thank you for being here, and we look forward to seeing your first XXX scenes.

Cami: Me, too! Thank you!

LADDIE LYNN

XL
Girls
DEBUT

She's a girl-next-door from Virginia who's ready to make a big splash.

Her name is pronounced "lady," as in "She's a lady," which she is. "I dress conservatively when I go out," Laddie said. "I hate for people around me to be uncomfortable or give me extra attention. I don't think I get a lot of attention because of my chest. Nobody ever believes me when I say that." It's okay if you think that, Laddie. It's just not true. Fact: A busty girl can never hide her tits from a man with boob radar.

A woman with large breasts and blonde hair is posing in a pink bikini by a swimming pool. She is lying on a colorful striped towel. The background shows a pool and some greenery.

A friend with an eye for tits pointed Laddie in our direction.

"I already had a lot of pictures because I like taking selfies, so it was just a matter of attaching a few photos to the email," said Laddie, who's also a webcam girl. "I often use a 10-second timer so I can get into the pose I want." You could've used a 10-second timer to measure how long it took us to say, "Yes!" when the email came through with Laddie's pictures. We flew her from her home in Virginia to our studio in Miami, Florida, and before she knew it, she was posing for her first professional nude photos and having the time of her life.

"I love being fingered until I squirt. I could fuck every hour."

Not surprisingly, Laddie was always the bustiest girl in school when she was growing up. She spends her free time watching local bands in Virginia, doing yoga and playing board games with her sisters and her parents. She wants to travel. Sexually, she enjoys being submissive, meaning you can have your way with her. And she said, "Most of all, I love creating memories." You just created some for us, Laddie.
